

## **Load Mover Warranty**

### **Parts - Limited Warranty:**

All components and defects in materials or workmanship are warranted for (1) year from date of delivery excluding wear items listed below:

- ☐ Batteries
- ☐ Tires
- ☐ Fuses/Circuit Breakers

Note:

- ☐ The above items may be covered under the component manufacturer's warranty.
- ☐ This warranty does not include damage caused by misuse or improper care as outlined by the Owner's Manual.

If a component fails prematurely then it will be replaced or repaired at the decision of Load Mover Inc. All warranty components are to be shipped to Load Mover Inc for evaluation. If the component has failed due to material or workmanship Load Mover Inc. will repair or replace component and ship back to customer.

### **Labor - Limited Warranty:**

The Load Mover manufacturer covers all labor charges for a period of (90) days from the date of delivery. Labor charges covered are only for repair of components and defects in material or workmanship. This excludes the list of wear items mentioned above.
